

TROPICAL

Certificate of Compliance

'Buy American Act'

Tropical Forest Products acknowledges that the Goods and services from time to time provided by TFP, and all related or affiliated entities are from time to time used in products or projects being funded with monies made available by a federal, state or local government agency and those projects are subject to certain "Buy American Act" provisions and implementing regulations that require construction materials used in the project to be produced or manufactured in the United States ("Buy American Requirements").

Tropical Forest Products hereby represents and warrants to and for the benefit of TFP and TFP customers that (a), Tropical Forest Products has reviewed and understands the Buy American Requirements, (b) the imported material sold by Tropical Forest Products to our customers and used in public projects are domestically unavailable, (c) the goods and services sold to our customers and used in public projects will be and/or have been manufactured, processed and produced in the United States in a manner that complies with Buy American Requirements, (d) Tropical Forest Products will provide any further verified information, certification, or assurance of compliance with this paragraph, or information necessary to support a waiver of the Buy American Requirements as may be reasonably requested by its customers.

This certificate is a continuing, irrevocable representation and warranty of compliance with the Buy American Requirements and may continue to be relied upon by its customers for each purchase of goods or services unless prior timely written notice is given to our customers that the goods Tropical Forest Products proposes to sell to our customers do not comply with The Buy American Requirements. Such notice shall not be deemed to revoke or modify Certificate of Compliance previously provided by Tropical Forest Products.
